FALL 1954—SPRING 1955

Wholesale Bulbs, Plants, Supplies

Famous Bloom-Rite Patented Azaleas

Reg. U. S. Pat.

Nurserymen's Exchange

938 Howard Street San Francisco 3, California, U.S.A.

PATENTED AZALEAS

Grow 40% Faster — Outsell them all!

We have enjoyed phenomenal success with our Bloom-Rite Azalea Hybrids. Introduced only four years ago, they've already taken the country by storm. They're considered America's leading new strain of azaleas . . . 40% faster growing . . . heat-resistant . . . greater number of buds . . . larger, more beautiful blooms. So popular have they become, and so brisk the demand, that last spring we were forced to

turn down orders. And we're down-right sorry that we've had to return so many unfilled orders. To avoid future disappointment, we suggest you take note of delivery schedule below and plan your requirements now!

4 EXCITING HYBRIDS

Patent tags sent with each plant.

RED WING

U. S. Patent No. 1159

RICH RED with orange undertones. Extra long-lasting ruffled hose-in-hose flowers. Neat, compact.

CARDINAL

U. S. Patent No. 1175

Similar to Red Wing in color, but with smaller hose-in-hose blooms. More compact than Kurumes.

ECSTASY

U. S. Patent No. 1157

WHITE flowers up to $4\frac{3}{4}$ ins. across, often striped or dashed with orchid. Yellow-green throat markings.

MELODY

U. S. Patent No. 1158

FUCHSIA-PINK flowers similar to Kurume, hose-in-hose, with size and flat opening habit of Indicas.

LINER PLANTS READY FOR 4-INCH POTS

Summer 1954 to Spring 1955 Delivery

Twice pinched. Should make excellent 6x8 finished plants within 8 months. Order in units of 50 to one variety only. Please, no orders for less than 100 plants.

Camellia Double: The Flowers are of the Camellia type and very large. This is best for greenhouse culture.

Carnation or Double Frilled: (Fimbriata Plena) This type produces a large double, resembling a carnation in form. The petals are frilled and have serrated edges.

Hanging Basket or Lloydii (Pendula fl. pl.): This is the Pendula or Lloydii type, containing double flowers only. Often hundreds of blossoms to a bulb.

Picotee Double: A Camellia flower with two colors on each flower. Available in mix bulbs only.

Lycoris Aurea

Lycoris—Very hardy

September-December Delivery

Commonly referred to as Nerine Sarniensis or "Hardy Amaryllis." All flowers appear without foliage.

Lycoris belong to the very small class of autumn-blooming bulbs. Flowers are borne in umbels of four to twenty flowers, on scapes varying from 1 to 3 feet long and averaging 1½ feet.

Lycoris Squamigera

\$8.00 per 100 \$67.50 per 1000

Rose Colored Banded Yellow

These bulbs are perfectly hardy. Their leaves appear in March, mature and disappear. Flowers come in the nature of a surprise in August. This variety is the only one of the Lycoris that is fragrant and therefore frequently referred to as "Fragrant Amaryllis." This is the most popular variety of the species.

Lycoris Aurea

\$11.00 per 100 \$95.00 per 1000

Color is Yellow, often called "Yellow Spider Lily"

This Lycoris needs shade and shelter from strong wind and its commercial cultivation is best done in lath-house. It provides the finest cut flowers of all. Lycoris, because of its flowers, last a fortnight in water and stand a long packing. From autumn to spring it has beautiful leaves.

Lycoris Radiata

\$6.00 per 100 \$49.50 per 1000

Color is Red

This variety is considered one of the popular Lycoris varieties.

Lycoris Alba

\$15.00 per 100 \$125.00 per 1000

Excellent white which resembles a pure white hybrid Amaryllis.

PLEASE ORDER YOUR TREES IN MULTIPLES OF 10

Improved Strain of Lassen Strawberries

HEAVIER PRODUCTION! EARLIER FRUIT!

No orders please for less than 1000 plants of this variety

1. **SMALLER PLANTS—LESS VEGETATIVE GROWTH.** These plants have a very compact growing habit. Smaller leaves and less height in plant allows more plants per acre. Less care and lower production costs and easier to pick fruit.
2. **EARLIER BEARING — APPROXIMATELY ONE MONTH EARLIER THAN KNOWN LASSEN STRAINS.** Plants this year on the grower's farm started producing berries very heavily approximately April 1st. This strain produces heavy crop even in one year plants and continues to bear throughout the Summer and Fall.
3. **BLUNTLESS BERRIES.** The fruit from this strain produces approximately 95% bluntless berries. The fruit has a very rich red color even down to the tips, giving additional sales appeal to potential market customers. Most strains of Lassen have 70% or more blunts. Reducing sales appeal.
4. **MORE DISEASE RESISTANCE.** Reports from growers using this strain indicate plants are free from Root Nematode and Mosaic Red Streak. Plants inspected before leaving our farm. Good clean plants assured.
5. **EARLIER DELIVERY.** Delivery can be made starting November 1st regardless of weather. F.O.B. Southern Calif.

Price—One thousand rate.....**\$20.00** per M
 Five thousand rate.....**18.50** per M
 Ten thousand & over.....**17.50** per M

Screen Glass - Wyr-O-Glass

For Greenhouse, Lathhouse, Hot & Cold Bed, Mum Shading

Easy to make your own greenhouse. Easy to put up. Will pay for itself in one year or less.

Screen Glass

14x14 Mesh Wire Base. Extremely Durable for Long Service. Galvanized wire screen cloth imbedded in exceptionally clear, waterproof plastic which transmits and diffuses the sun's ultraviolet rays. Holds in heat. Shatterproof, unbreakable and airtight. As flexible as window screen. Cut with shears and tack up.

Shipping wt. 3 oz. per sq. ft.

100 ft. roll x 36"	\$36.00
50 ft. roll x 36"	18.00
25 ft. roll x 36"	9.00

Special Offer on Dispensers on Screen and Wyr-O-Glass

The Floor Model Dispenser is available at \$10.00 and the Counter Model at \$5.00 each, prepaid direct to dealers. This is less than cost.

Wyr-O-Glass

Wire Base Glass Substitute. Extremely Tough and Very Transparent. Tough Galvanized 1/4" mesh wire base, drawn tough and thin to admit more light.

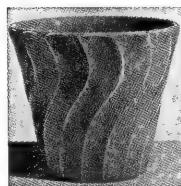

Every Joint and Wire embedded in a cushion plastic, before final Transparent coating is applied, for double reinforcing and to eliminate air pockets.

Plastic Glass applied to both sides, sealing wires inside. Everything fused into one.

Solid Weatherproof Sheet. No cheap rosin or glue to discolor or decompose, and no air pockets to trap moisture in Wyr-O-Glass.

100 yards x 36"	\$70.00
50 yards x 36"	35.00
25 yards x 36"	17.50

BEDDING PLANT FOLDING BOXES

These boxes save time, money and space in the
handling of bedding plants. Stored flat in their
own shipping cartons, they take up practically
no room—are a life saver on rush days.

9 x 6 x 2¼, per 1000 **\$18.65** per M

9 x 6 x 2¼, per 2000 **17.12** per M

11 x 6 x 2¼, per 1000 **20.42** per M

11 x 6 x 2¼, per 2000 **18.74** per M

Packed 500 to a carton

Prepaid in San Francisco, Oakland, Berkeley
and Hayward.

Use Shade Cloth to Replace Lath House

Weather Resistant Shade Cloth

Ideal for Shade Loving Plants

Cheaper than Lath Houses. For Frost, Rain
and Shade protection.

This Cloth is impervious to fungus, rot,
blazing sun, rain, and still allows a certain
amount of sun to filter in.

Dark Green, No. 1 quality, 72 inches wide

Approx. Shade Protection	Per yard
48 per cent.....	.38c
55 per cent.....	.46c
70 per cent.....	.52c
75 per cent.....	.57c
84 per cent.....	.63c
93 per cent.....	.68c

Add 5½ cents per yard if you wish sewn to
your exact requirement.

Add 20 cents per yard if you are looking
for extra heavy Dupont Shade Cloth.

On orders of 1800 yards or more we can
ship 20 feet width without seams at 3 cents
per yard extra. This reduces costs sewing
72" width together about 40 per cent.

Shading Cloth for Mums

Black Cloth—36 inches wide.

Top quality per yard **.69½**

BIRD VITA-BAND

PLANT BANDS

Sold in Case Lots Only

VITA BAND "D" — A nutrient treated band which disintegrates in the soil, making it unnecessary to remove the band when transplanting to the bench or field. Eliminates any possibility of transplanting shock.

VITA-BAND "D" is packed 2,000 to the case, except sizes 3" x 3", 4" x 3", and 4" x 4", all of which are packed 1,000 to the case. Sold in case lots only.

Prices per 1000, F.O.B. East
Add 15% F.O.B. S. F.

1½ x 1½ x 2½	\$3.90
1¾ x 1¾ x 2½	4.20

Perfect for Home Gardens

The same formulas as used by many orchardists, nurserymen and truck gardeners now available for the home gardeners. Feed all plants the controlled way . . . high nitrogen for growth, low nitrogen with high phosphate and potassium for maturity by using readily available Liquinox Liquid Fertilizers.

Plants Need All Three

Most plants require all three major plant foods, nitrogen, phosphate and potash. However, under certain conditions plants do better when

the proportion of nutrients is regulated to meet growth needs and soil conditions.

Liquinox is available in three grades ranging from high nitrogen and low potash to no-nitrogen but high phosphate and potash, giving one of the most complete ranges in liquid fertilizer.

Major and Minor Plant Foods

Liquinox is manufactured under a patented process whereby essential nitrogen, phosphate and potash are combined with Yucca Extract and minor minerals (iron, zinc, manganese) to produce an outstanding balanced plant food.

Liquinox Conditions Soil

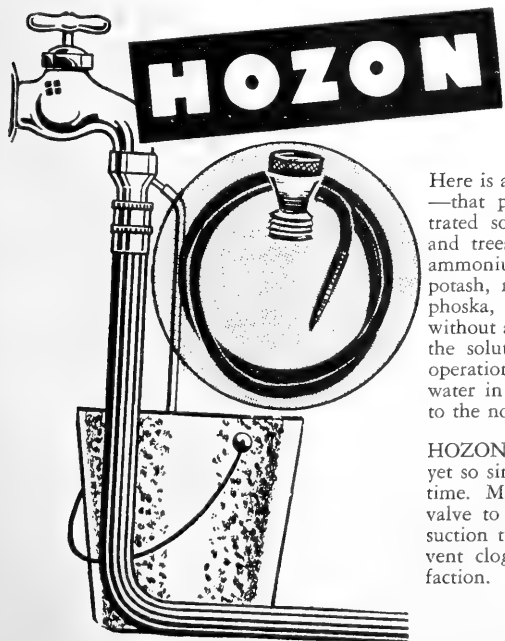

Yucca Extract is an effective soil conditioner. Independent laboratory tests show better penetration and loosening of soil when treated with this organic material. Remember, not all fertilizers give you this added benefit.

Quick, Clean, Odorless

There is no waiting for Liquinox to go to work—the readily-available plant food goes directly to root surfaces and speeds growth.

Safe, Sure, Easy to Apply

Apply Liquid Fertilizer With Garden Hose

HOZON Makes Fertilizing as easy as Ordinary Sprinkling

Here is a marvelous little device—the HOZON—that provides a safe way to apply concentrated soluble chemicals to your lawn, plants and trees. Apply chemical fertilizers, such as ammonium sulphate, nitrate of soda, nitrate of potash, muriate of potash, ammo-phos, nitrophoska, urea, etc., without fear of burning—without any hard work on your part. It applies the solution and washes it down in one fast operation! Mixes the concentrated solution with water in a mild 1-to-16 ration, and delivers it to the nozzle of an ordinary garden hose.

HOZON is a scientific, precision-built device, yet so simple and strong that it will last a lifetime. Made of brass with stainless steel check valve to prevent back-flow, high-grade rubber suction tube and stainless steel strainer to prevent clogging. Guaranteed to give full satisfaction.

\$18 per doz.

HOZON SPRAYFAST

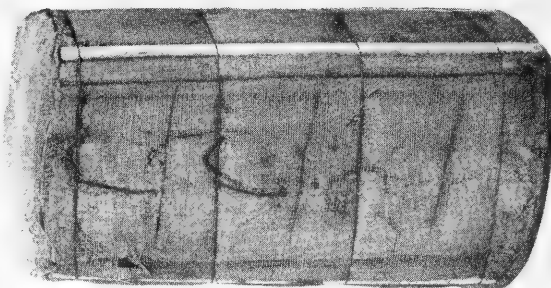

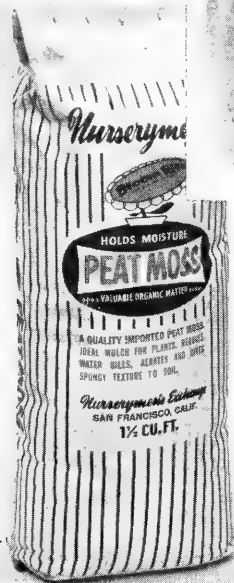

A quick, easy and accurate way to apply concentrate liquid chemical fertilizers without risk of burning. The Sprayfast model has a water jet almost two and a half times larger than our regular HOZON. It draws in the concentrated solution through a LONG suction tube, directly into the nozzle, not the tap end of the hose, and dilutes the solution about 1 to 32, applies and washes it down in one easy operation. It is a scientific, precision built device of solid brass, a superior grade of suction tube about fifty-five feet long, a stainless steel strainer, and a rubber nozzle end. Workmanship and material guaranteed. For commercial use only.

\$8 each

You'll Do Better With Bloom-Rite Supplies

Bloom-Rite IMPORTED PEAT MOSS

Top quality Sphagnum Horticultural Peat Moss, imported from Europe and considered the finest for growing Azaleas.

Hyponex is a clean, odorless, soluble powder which, with water, is a complete plant food. It grows bigger and better plants in poorest soil, even in sand, cinders or water—indoors or outdoors. Assures larger and more flowers. Increased quantities of vegetables, and more prolific growth for grass, plants, bushes and trees. 1 lb. makes 100 gallons; 1 oz. makes 6 gallons; 1 teaspoon makes 1 gallon.

Planting Guide for Bloom-Rite Bulbs

Nurserymen's Exchange Terms of Sale

1. Costly back ordering means time lost in starting crops. Rather than keep you waiting for items that are delayed or are scarce, we will substitute with varieties equally good or better unless you say "No Substitute."
2. No complaints entertained after five days from receipt of merchandise.
3. All orders are accepted subject to cancellation in case of crop failure and other conditions beyond our control.
4. We supply 250 at the 1000 rate of each variety, except where specified to contrary.
5. This price list cancels our previous lists and quotations. No orders, please, for less than \$5.00.
6. All prices subject to change without notice.
7. Terms—Customers not having an established account with us, please send remittance with order. 50% in advance on all C.O.D. shipments.
8. All stock travels at risk of purchaser. This stock is carefully packed and we hold "good order" receipt from the Transportation Co. for same. There our responsibility ceases. If the stock reaches you in bad condition accept it "in bad order," notify agent and bring claim against the Delivering Co. for damage caused by their negligence, as no allowance for this cause can or will be made by us.
9. The Nurserymen's Exchange gives no warranty, express or implied, as to productiveness, of bulbs or plants they send out; they will be in no way responsible for the crop.
10. Packing charges will be made on Plant Material.
11. All merchandise F.O.B. S. F., Cal., unless otherwise notified.
